- 1.) Fostering additional and developmentally appropriate and enhanced training opportunities for all skill sets.
- 2.) Cultivating a system that allows for multi-level event participation with deeper player pools.
- 3.) Binghamton and Ithaca will train locally Monday - Friday in an effort to minimize travel on families. With Sunday training sessions, attendance will be crucial as coaches will need the opportunity to assess all players together in the appropriate setting and in assembling competitive rosters. Rosters for all leagues and events may be a combination of players from both geographic areas.
